

# Environmental Scan of research into Aboriginal health and well being in the Sydney Basin

**Liam Harte**

**A/Director Indigenous External Relationship Development  
Deputy Vice-Chancellor, Indigenous Strategy & Services**

## **Respect**

**I respectfully acknowledge the traditional custodians of the land we meet on today the Kurna people. I pay my respects to elders and leaders past, present and emerging.**

Rock Paintings, Ku-ring-gai Chase National Park. Photographer and date unknown

- **Research fellow Western Sydney University**

***“Wouldn’t It be great if we had some way of seeing what research is currently being conducted across Sydney”***

**Prof. Lisa Jackson Pulver AM chatting with Prof. Aunty Kerrie Doyle**

THE UNIVERSITY OF  
**SYDNEY**

- Environmental scan of current research in Aboriginal Health & Well-Being in the Sydney Basin
- Map those community members who participate in research
- Create a set of Protocols for researchers to engage with those communities

THE UNIVERSITY OF  
SYDNEY

## **Needs**

- **Researchers**
- **Community**
- **Co-ordination**
- **Funding Rounds**
- **Who is working on country and with whom**
- **Collaboration opportunities**
- **Protocols**

THE UNIVERSITY OF  
**SYDNEY**

## Methods vs Madness

- Excel
- Qualtrics
- Libraries
- Grants and funding records
- Automation and sustainability

THE UNIVERSITY OF  
SYDNEY

## The Portal

- **ICT Architecture**
- **Sustainability and Automation**
- **Metadata scheming**
- **Storage and HealthInfoNet**
- **User experience**

THE UNIVERSITY OF  
**SYDNEY**

## The Protocols

- **SAHMRI Protocols localised**
- **AIATSIS**
- **Community**

THE UNIVERSITY OF  
SYDNEY

## Mapping of Community

- Protection of Identity
- Community based organisations

THE UNIVERSITY OF  
**SYDNEY**

## Acknowledgements
