

National Indigenous Research(er) Capacity Building Project

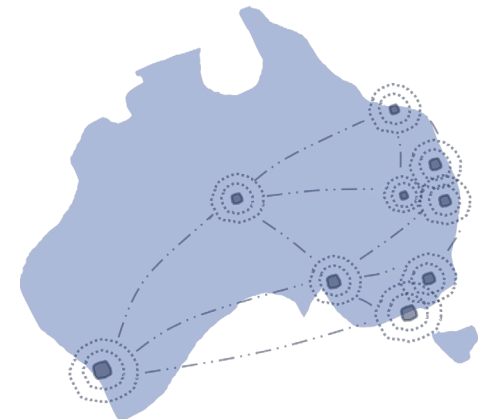

Acknowledgement of Country

We would like to acknowledge that we meet today on the lands of the Kaurna people.

What is IRNet?

- MRFF funded project, administered through Health Translation SA
- Led by Professor Alex Brown
- Coordinated by the Capacity Development team within Aboriginal Health Equity, SAHMRI

Who is IRNet?

Network led by representatives from all of the 9 AHRA Translation Centres

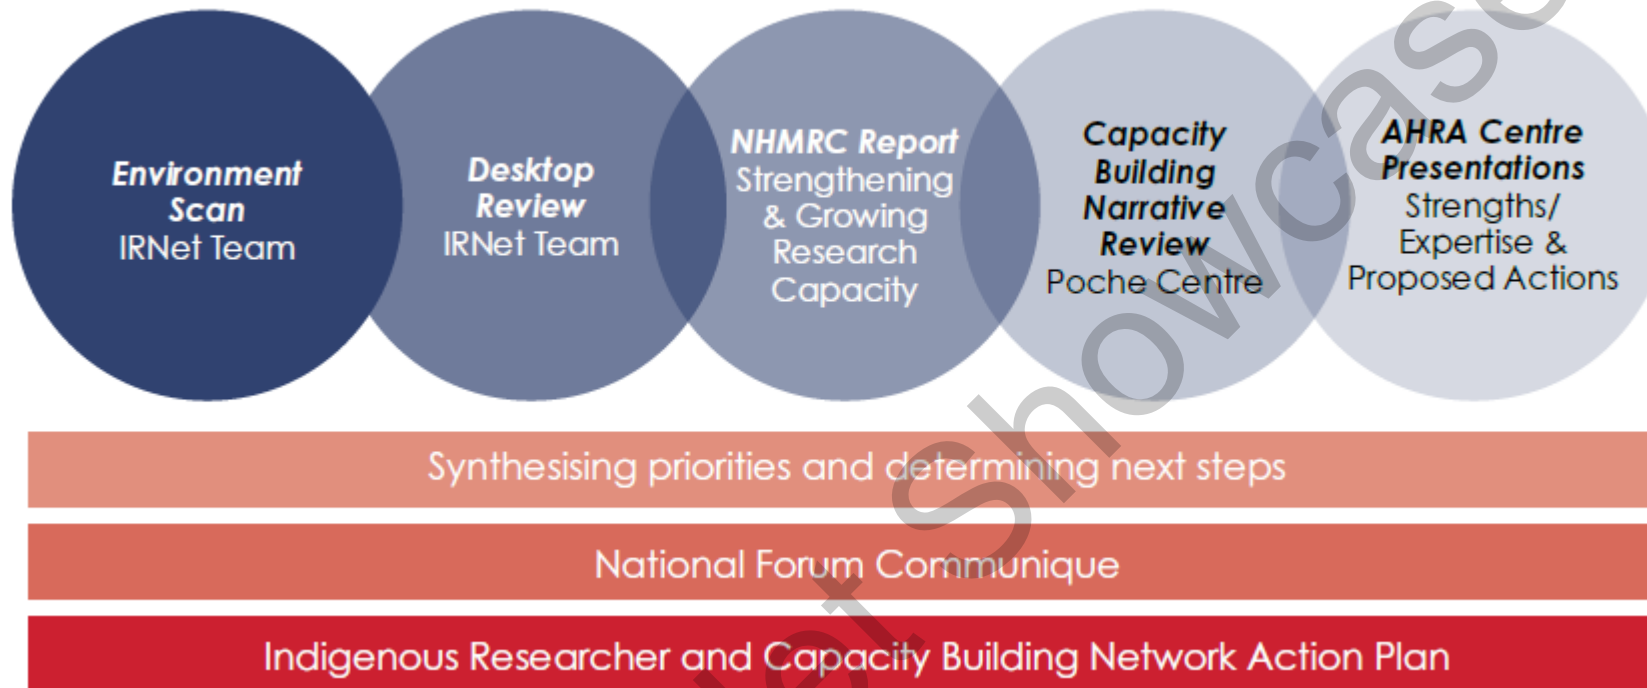

- 1 West Australia Health Translation Network
- 2 Central Australia Academic Health Science Network
- 3 Health Translation SA
- 4 Melbourne Academic Centre for Health
- 5 Monash Partners Melbourne
- 6 Maridulu Budyari Gumal (SPHERE) Sydney
- 7 Sydney Health Partners
- 8 NSW Regional Health Partners Newcastle
- 9 Brisbane Diamantina Health Partners

IRNet Workshop 2019

IRNet Action Plan 2019-2021

PRIORITY 1: Progress and strengthen a robust Indigenous Research(er) Network

Strategy 1.1:
Establish and maintain Indigenous Research(er) Network functions

Strategy 1.2:
Advocate for systematic changes to include the participation of Aboriginal and Torres Strait Islander leaders within AHRA structures

Strategy 1.3:
Promote the use of and development of principles and cultural protocols that guide Aboriginal and Torres Strait Islander research and translation

PRIORITY 2: Invest and develop the Aboriginal and Torres Strait Islander Workforce

Strategy 2.1:
Identify and unlock Aboriginal and Torres Strait Islander Research expertise within each Translation Centre

Strategy 2.2:
Better define and understand the Aboriginal and Torres Strait Islander health workforce in a way that reflects Indigenous knowledges

Strategy 2.3:
Ensure AHRA research projects that impact on Aboriginal and Torres Strait Islander health include Indigenous researchers, local community organisations and community representatives

PRIORITY 3: Enhance Aboriginal and Torres Strait Islander research(er) capabilities

Strategy 3.1:

Develop and deliver masterclasses which aim to enhance knowledges on Aboriginal and Torres Strait Islander health research methodologies

Strategy 3.2:

Develop across all AHRA partner organisations exchange and placement initiatives

Strategy 3.3:

Establish IRNet mentoring and support programs

Join our network mailing list

You'll receive;

- regular IRNet Newsletters with updates from the AHRA translation centres
- advertising of training & job vacancies, scholarships and networking opportunities across the country
